

KEEP ON DRUMMIN'

We would like to welcome two new members to the band, Jonathon Gillard and James Magner.

Jonathon has played with a School band and James with the Shalom School Band.

Both are keen to broaden their drumming skills and we look forward to a long and lasting relationship with the Drum Corps.

SOME INFORMATION YOU MAY NOT KNOW

When are medals worn? As a general practice, large medals orders, decorations and medals are worn at day functions and miniatures are worn with evening dress.

Can I wear another person's medals?

Allowance is made for family members of a deceased recipient to wear that person's medals on commemorative occasions such as Anzac Day. When worn by others, the usual protocol requirement is that the medals are worn on the right side to show that the wearer is not the original recipient.

The Bigger the Band the Bigger the Sound. Let's make it happen bring a friend or a work mate on Tuesdays
